VIS Company

About Us

In a very short span of time, **Venus Intelligence Security** has emerged as a leading security company in Delhi/NCR. We are expertise in providing security guards, house keeping staff, office assistants at very affordable price to all kind of institutions be it a school, hospitals, residential colonies, shopping complexes, corporate setups. The staff we provide are fully legally verified by the competent authority till date, we have provided 550+ security guards and 250+ house-keeping staff to our various clients (list enclosed) in addition to above service, we also provide value added services for our clients which include installation of CCTV.

Our Aim

Our ultimate aim is to provide piece of mind to clients and enabling our clients to focus on achieving their business objectives, rather than dealing with the worries and concern associated with the security of the employees and premises.

Leadership Team

Dear All,

It is with immense pleasure that herewith introduce our company **VENUS INTELLIGENCE SECURITY PRIVATE LIMITED (VIS)**. I am extremely pleased with the progress that VIS made since 2017 our first office in Okhla Phase - 1, New Delhi proudly delivered the highest quality of services to our customers in Northern Region, which resulted in the expansion to east, then south and now covering across PAN INDIA. In the year 2017, since opening our Branch Offices across the country we have continued with our controlled growth. At a time when private security companies operate in increasingly challenging market. I am pleased to have an opportunity to introduce VIS to you.

Over the years our clients have to regard our unique experience as one of the critical components in the decision to make VENUS INTELLIGENCE SECURITY their security choice we have clients in wide range of industries & sectors Hospitals, Schools, Universities, Corporate Buildings, Government facilities, Malls, Factories, Hotels, Guest Houses, MNCs. Warehouses, retailers Dealerships, Construction sites. Shops Restaurants special events, City Buildings and the list continues.

Warm Regards

Kuldeep Kumar
(Director)

Our Services

Security Guards

Bouncers

Office Boys

House Keeping

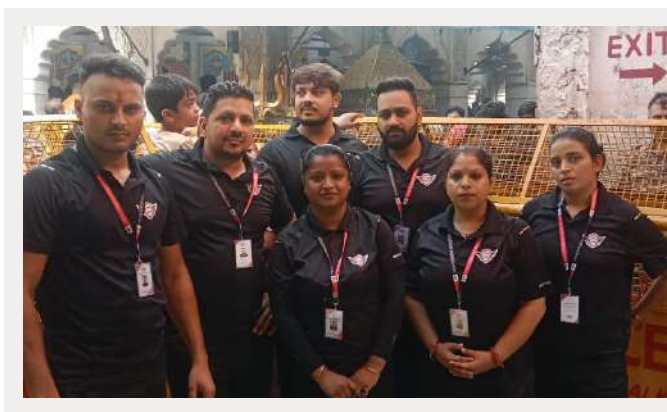

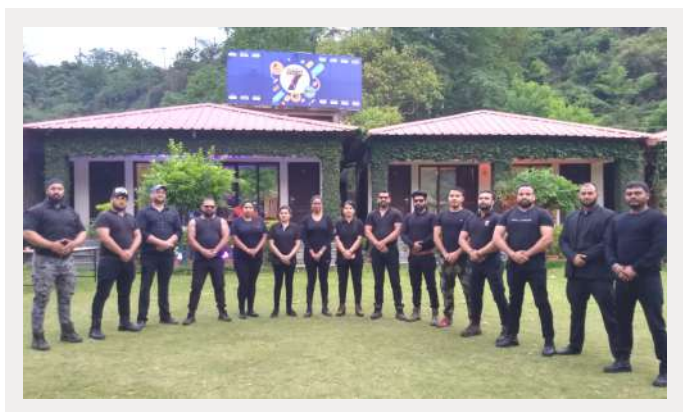

Security Guards

Safety & Security is the utmost priority for every institution, homes and every place where a person is indulged daily, which is provided in various modes such as security guards, CCTV camera & many more. We Venus Intelligence Security provides securities guards to our clients according to their requirement. All guards that are being recruited by our company are fully legally verified by competent authority. All security guards are polite in their voice with sharpness in their mind. All are well disciplined & hardworking in performing their duties.

Bouncers

Some times, in late night parties, some or other miscreants creates nuisance in the party and ruins all the arrangements. In the parties making a headache to the organizer. We as Venus Intelligence Security takes that headache on us by providing tall & muscular bouncers to our clients, so that client can enjoy party to their utmost level.

Office Boys

Venus Intelligence Security is equipped with home and office-based help.

Our trained, experienced, and professional office boy can take up the basic office work responsibilities. The office boy can perform duties like serving beverages to the staff or guests, greeting visitors, assisting other administrative staff in handling files, and other similar work. Some responsibilities could be added based on his experience and exposure. The duties would also depend upon the office or industry environment.

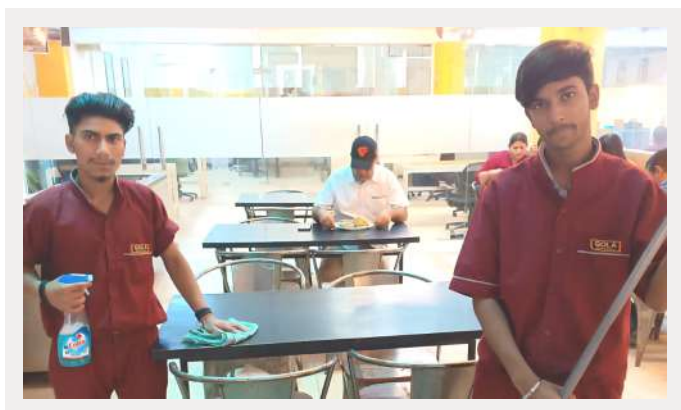

Venus Intelligence Security is the most reliable and affordable office boy provider in the major metros. you can find an office boy near you more conveniently through VIS Security.

The office boys also go through training in terms of hygiene, behavior & etiquette, time & stress management, and communication & interpersonal skills that give them an upper hand over other office helps
